Dear Camper Parents,

Regarding: Friday water activities

It's a pleasure to be able to offer this day camp program year after year. We try to make it as fun and interesting as we can while helping these campers understand a basic knowledge of the Gospel of Jesus Christ.

As a part of the week, we take the campers to the falls to splash around in the water. This is followed right away by the water slide back at the main camp area. We have tried to make it easier for parents by doing all water activities in one day. This year, we are planning these activities on Friday. Campers will have the opportunity to change into clothes they can get wet in and then change back at the end of the day.

You can help the camp staff in the following two ways:

- **Consider sending your child with bathing suits below their clothing when they come to camp on Friday morning. This will only require campers to change once instead of twice.**
- **Put your child's clothing in a bag marked with their name. If you have multiple children, please use a separate bag for each child. This helps the process go much easier.**

The **closing program** will be on Friday evening starting a 6:30 pm and usually lasts about an hour. This program will be for family and friends of campers so you can see what they have been learning during the week.

If you have any questions, please feel free to contact the Braes.

Thank you for your help,

Mary Ellen Cooper
Camp Registrar
